ABOUT THE COMPANY

## Naturally cultivated. Globally trusted.

Royal Henna Products is a third-generation manufacturer, processor and exporter of natural henna, herbal powders, medicinal herbs, Indian millets and spices, headquartered in the henna heartland of Sojat City, Rajasthan. For four decades we have supplied premium botanicals to private-label cosmetic brands, Ayurvedic formulators, herbal-tea houses, food companies and bulk importers across 25+ countries.

Our integrated facility spans cultivation contracts with 4,000+ farmers, modern cleaning, sieving and pulverising lines, climate-controlled warehousing, in-house QC laboratories and export-ready packaging — all under one roof.
